(Open Invitation to all Institutes / Schools/ Persons who are teaching various forms of courses in Alternative Medicine)

Updated: 22/November/ 2005

Dear Sir / Madam,

This is for your kind information that we are in process to form a "NON PROFIT GUILD" of people practicing various forms of "Alternative Medicines" at [www.AMPR.in](http://www.AMPR.in) (**Alternative Medicine Practitioner Register -- A.M.P.R.**).

This is a project to reunite all people working in promotion of "Alternative Medicines" in different countries in different fields. Very soon, we will also be introducing more interacting features.

Here we have two kind of registrations. First is for general public (Paid) and second (FREE) is for students of our affiliates.

Public has to pay very nominal charge of USD 10 (one time) as a registration. It is FREE for the students of our affiliates.

We through this webpage, invite you to be our affiliate. **There is no charge to be our affiliate and neither any charge for your student.** You will be getting an affiliate login with unlimited "Registration Key Code" which will be required by your students to get FREE membership on **A.M.P.R.** There is no limit on "Registration Key Code". All you have to do is to provide "Registration Key Code" to your students from your login section on **A.M.P.R.**

This method has been created so that, we can be assured that all members who claim to be your students, can be verified before registration. Any one claiming FREE membership / certificate has to enter "Registration Key Code" In your affiliate login account you will be able to check a list of all your students who have joined the **A.M.P.R.** All membership certificates are issue Online and are verifiable.

All membership certificates issued to your students will carry their Name, City, Country, Detailed of diploma held by them and NAME OF YOUR INSTITUTE. Hence promoting your brand name too. If any of the student has passed in more than one course. You can provide them "Registration Key Code" as many as you feel are justified. Every time your students gets the member ship certificate at **A.M.P.R.** our automated systems will inform you for your records.

Finally, yet importantly, the purpose to enroll affiliate is to avoid anonymous people getting membership of the register.

**Your all students will get the right to mention under their name as: "Member - A.M.P.R."**

Hence again promoting your student's brand name tag and a tabletop size certificate in their email. Which can be any time printed by them.

Further, On first come bases. <http://www.ampr.in/pre-launch-register.htm> We are offering to first 25 affiliates to have their links on the home page of **A.M.P.R.** at [www.AMPR.in](http://www.AMPR.in) Affiliate interested in this offer has to place our small LOGO on their website with link back to us, indicating students to get FREE membership of **A.M.P.R.**

Equally, your small LOGO on our home page will encourage other students/ visitors to join your institution.

We intent to involve all therapies in our membership list. In bottom, we have highlighted all known therapies.  
**If your Institute is offering any course besides this. Please feel free in inform us. So that we can include that too.**

We hope that this project will get your wholehearted support.

Till we start our "Online Affiliate enroll login " Please feel free for any further info at [info@AMPR.in](mailto:info@AMPR.in)

Thanking your  
Regards
